OFFICE OF LEGISLATIVE COUNSEL

Thursday - 29 April 1971

25X1 "2. [] Victor Zafra, OMB, called and gave clearance on our sending our proposed letter on S. 1438 to Senator Ervin. Zafra said they would have preferred to wait until the Civil Service Commission testifies before the House Post Office and Civil Service Committee on similar legislation, but he said OMB appreciated our desire to set the record straight with Senator Ervin. He said if significant changes are made the Administration could conceivably approve it. On the other hand, it was also quite possible they would seriously consider a veto if such changes are not made. He asked that we eliminate the "advice" sentence of our letter."
